We've nearly abandoned missions.

God desires His people to be involved in His work, yet many are unaware of the needs in our foreign mission fields and the blessings of doing His work.

This is why we started MissionTV.

MissionTV broadcasts missionary interviews, mission documentaries, movies and sermons. When you watch MissionTV you'll see both what is being done in the field as well as what is left to be done.

You can make a difference by telling your friends about MissionTV so their eyes and hearts can be opened! Also, please consider partnering with us as we strive to inspire others to take up the cross so Jesus can come sooner. We stepped out in faith to begin this ministry, and we need your prayers and financial support to continue this vital work.

"...the prosperity of the home work depends largely, under God, upon the reflex influence of the evangelical work done in countries afar off." (6T p.27)

"The very life of the church depends upon her faithfulness in fulfilling the Lord's commission." (DA 825)

Watch "MissionTV LIVE" every Monday night at 8:00 pm (EST).
